This week, we're praying for...

ROMANIA

Challenges for Prayer:

- There is much brokenness in the nation: substance abuse, prostitution, human trafficking, etc. are widespread. Romania has one of the highest abortion rates in the world with three or more abortions for every child born. Poverty is still common with widespread unemployment and economic instability. Pray for leadership that has the wisdom to chart the right path and the integrity to implement the right policies.
- Romania is one of the world's most Christian nations by percentage yet a worldview shaped by atheistic Communism persists. Pray for a breakthrough of love, holiness, discipleship and prayer in all denominations.
