### God's Kids Read!! - Summer Reading Program

**We are so excited to offer a summer reading program for kids ages 5-14!**

If you **love reading and receiving prizes**, then the summer reading program is for you! There will be a prize for each log handed in until September 5! Each log is then entered into a draw for a larger prize with a grand prize awarded to the person who reads the most within each age group (5-9 & 10-14).

Research has consistently documented the **importance of summer reading** and has shown that students who read recreationally during the summer (even just 4-5 books) do better when the new school year begins. The purpose of the Reading Program is to encourage K-9 students to engage in self-selected recreational summer reading to prevent learning loss (both academically and spiritually) and to foster improved student achievement.
