church multiplication

biblical stewardship

More than merely money or projects, our multiplication vision is fundamentally about discipleship — making disciples both far and near. And the near includes us.

How does following Jesus help us wisely use the resources that Jesus provides?

Join us for a series of **podcasts** as we discuss a biblical theology of stewardship. Find them on our website at multiply.northview.org/stewardship.

pledge

You can indicate your support for the vision and financially commit to it today and over the next three years. Use the insert you received in your bulletin, pick up a Pledge card at the Info Desk, or complete it online.
