DOWNES ROAD CAMPUS

# WELCOME TO NORTHVIEW!

WE ARE SO GLAD YOU ARE HERE!

Take some time to visit, enjoy a cup of coffee or tea and stop by our Info Kios to find out what's new. Moments of connection are so important in a church family!

This is a special weekend at our Downes Road Campus as we take some time to encourage parents who are dedicating their children. Child dedication is the parents' affirmation of their intent to raise this child to know, love and serve our great God. As the Body of Christ, it is our responsibility to pray for and encourage these parents as well as all members of the church family. As the parents dedicate their child's spiritual journey to God and commit to teaching them to love God and others, the church also commits to supporting these families in this lifelong journey.

## church multiplication

### pledge

Please consider a commitment to the Multiplication vision of our church through a pledge. This pledge is over and above your current giving, and can take the form of a one-time gift or a breakdown over the next three years. We realize circumstances can change, and that the amount you desire to give can also change. We are asking you to prayerfully determine what you can foresee would be a sacrificial and joyful pledge. Pick up a Pledge card at a Pledge Kiosk, or complete it online at [multiply.northview.org/pledge](http://multiply.northview.org/pledge).
