

Dear Friends of Seasons,

April 30, 2020

Hey, We miss you all!

God has been good and blessed Seasons of Northview to be able to gather monthly for many years of good fellowship, food, worship and inspiration.

It was with disappointment that we had to cancel the March, April and May luncheons for the 2019-20 year due to the Covid-19 virus.

The planning for those events was well underway and we are hopeful that Seasons luncheons will resume once again when restrictions are lifted.

We look forward to the future when we can once again meet as a body of Christ. We recall the chatter in the foyer waiting area and the flood when we opened the doors.

We even look forward to the food lineups and whether we will be selected to be at the beginning, middle or end of the line.

We anticipate resuming the worship times that have always been special as we lifted our voices to God in 4 part harmony.

Pastor Vic's devotionals and the special guests have inspired us in the faith.

We trust you are finding ways to keep being encouraged in your faith and able to keep in touch with friends and family. As Dr. Bonny Henry says, "This will not be forever."

To keep connected to Northview during this time of isolation, we encourage you to log into [northview.org](http://northview.org). This site gives you access to the weekend messages and other church news.

For more Seasons information, once you are on the [northview.org](http://northview.org) website, click on the "3 bar icon" in the right top corner (this only applies to phone users). Then click on "Ministries"; then click on "Seniors" for Seasons information.

Also, the pastors are seeking for ways to keep connected with Northview attendees. If you would like to connect with someone from the church, Pastor Vic is available especially to seniors. To contact the care department you can email [care@northview.org](mailto:care@northview.org)

The Seasons committee will endeavour to keep you informed about future events as they arise.

Please forward this letter to other Seasons patrons who may not be on the Northview contact list.

Yours in Christ,  
Seasons Executive Committee
