A NOTE FROM PASTOR DANAE

Saying Goodbye

"And we know that in all things God works for the good of those who love him, who have been called according to his purpose."
Romans 9:28 (NIV)

For the past five years, the Northview Mission Campus has been my home and it was here that I really learned what "church family" meant. From the regular smiling faces on Sunday mornings, to having flower beds planted out front for our wedding, and having people I barely knew commit to praying for me.

You have been patient with me as I went from an intern, who knew very little, to becoming the pastor of the youth ministry, who still has so much to learn. God has taught me humility, a deeper love for His people, and a passion for the life-giving power of the gospel.

This year, ending in June, will be my final year serving in Mission. Decisions are hard to make, and this has been one of the hardest. In the fall, I hope to begin a Masters in Counselling, and spend the next couple of years getting more equipped to continue in ministry with Luke, my husband.

While I don't mind leaving behind the all-nighters, I will miss this community, the young people who have walked through our doors every Tuesday and Thursday night, and my volunteer team, who have been the most amazing partners in this work of discipleship.

Thank you for the joy it has been to work, serve, and be served in this family! I can't wait to see what the Lord will continue to do through this campus.

Upcoming Events

Fill The Pantry | We have started a new initiative at Northview Community Church, here in Mission! The Pantry is a weekly drop-in offering canned and fresh food items free of charge. We will also be serving lunch and meals-to-go for everyone who joins us. We are hoping to have this ministry up and running by mid-March. Will you partner with us in filling the shelves of The Pantry to support those in need in our community? Come pick up paper bags from the Mission Campus between 9AM and 4PM February 22-24 and distribute them around your neighbourhood. On February 27th collect the filled bags and bring them back to the church so we can stock The Pantry!
