## A NOTE FROM PASTOR JESSE

### God Uses People

---

He is the one we proclaim,  
admonishing and teaching  
everyone with all wisdom,  
so that we may present  
everyone fully mature in  
Christ.

Colossians 1:28 NIV

These past few weeks I have had the privilege of conducting several membership and baptism interviews. I always find it fascinating how God saves all different kinds of people in all different kinds of ways. To some He opens their eyes through the witness of Christian parents, to others it's a youth pastor, and for others it's the courage of a co-worker who shared the gospel. Although everyone's testimony is different, what remains the same in all of them was that God used people, like you and I, to accomplish His purposes. This is how God grows His family, through His children, through His church. I am grateful for how God used my parents, pastors, and college friends to help me follow Jesus, to disciple me.

Who helped you follow Jesus? Who are you helping?

Looking forward to seeing you again this weekend. We will be studying Malachi 3:6-12 and will consider what trusting God with our finances looks like. See you Sunday!

Jesse
