# In The Wilderness

## ***Apply to Our Story***

- 1) [Icebreaker/easy question] Can you think of examples of things that need to be guarded or protected, but at the same time pose a threat to “outsiders” or “unauthorized” people? (like the beehives or the tabernacle)
- 2) What do you find challenging about learning about God as He is revealed in the Old Testament? What do you find encouraging?
- 3) Do you think the guarding role of pastors/elders is important today? What kinds of things does the church/or you need protection from today?
- 4) What is your understanding of spiritual gifts and your place in the body of Christ? How can using our gifts bring unity instead of divisiveness? (How could gifts and different tasks be seen INCORRECTLY in our church?)
- 5) Pray for each other. (Suggestion: flip to page 27 and use the adoration/confession/supplication questions to pray together or in small groups)
