In The Wilderness

Apply to Our Story

- 1) How does the example of Israel's preparation and practice of worship in Numbers 7-9 give insight into the Christian life of worship today? What part stands out the most to you after studying it this week? Why?

- 2) When you think about offering yourself in personal worship of God, what practices do you already participate in? How do you worship God with your life right now?
 - a) What do you want to start doing (or maybe stop doing), as you consider how to offer your WHOLE life as a living sacrifice of worship?

- 3) When you think about the corporate worship of God, what commands can you think of that God has given us to obey as we worship Him in community? Which of these are harder for you to obey?

- 4) Spend some time praying for each other as we seek to make our lives wholly centered on the worship of God.
