In The Wilderness

Apply to Our Story

- 1) With the Israelites it was their lack of belief in God that prevented them from going into the Promised Land. Share with one another the truths about who God is and what you believe about Him to be true. In general terms and personally in your own life.

- 2) We see in God's word that God takes disobedience very seriously? What parts of your life are you not trusting/being disobedient with God and as a result what consequences are you facing?

- 3) In what ways are you willing to commit, right now, to follow God more fully?

- 4) Pray together using the Adoration / Confession / Supplication prompts. How does Numbers 13 & 14 teach you to Praise God? What does it teach you to confess to God? What can we ask God for?
