Apply to Our Story

- 1) *Matthew 5:4 “And if anyone forces you to go one mile, go with him two miles”*
What opportunities can you think of in your life to “go the extra mile” for someone? How might that bring forth the gospel?

- 2) As you reflect on your life, does it look notably different from the culture around you? Do you look like a citizen of the Kingdom? Is the Lord challenging you to make some changes or make things right with someone?

- 3) Do you have peace and assurance that Jesus paid it all for your sin? Do you know with all your heart, soul and mind that you are free from condemnation if you believe in the name of Jesus? Or do you struggle with feeling burdened by sin and guilt or the need to obtain righteousness on your own?

- 4) Spend time in prayer thanking Jesus for the cross and the amazing gift of salvation. You’re free, found not guilty! Ask Jesus to help you look more and more like him and the Kingdom citizen you are.
