## **Apply to Our Story**

- 1) Do “desolate places” and ” storms” grow your understanding of who God is or do they obscure it?
  
  
  
  
  
  
  
  
  
  
- 2) Has Jesus become familiar to you that you are not in awe of him? What are some ways we can check ourselves on this? How can we combat this?
  
  
  
  
  
  
  
  
  
  
- 3) Have you experienced times of doubt? If you are comfortable, share with your group. How did you get through that? Are you in a time like that now?

Pray for one another. Pray for those you know who are coming to false conclusions about who Jesus is. Pray that they would grow to recognize Jesus and put their trust in him.
