Our hearts ache when nations rage
Our tears fall when families break
When kingdoms rise against Your name
When darkness seems to win the day
We sing, "come, Lord Jesus
Come and save us
Come, Lord Jesus, come
Come, Lord Jesus
Keep us faithful
Come, Lord Jesus, come"
When death comes staring face to face
Our enemies plot in vain
Our life and times are in Your hands
You hold them all until the end
We sing, "come, Lord Jesus
Come and save us
Come, Lord Jesus, come
Oh come, Lord Jesus
Keep us faithful
Come, Lord Jesus, come (won't you
come?)
Oh come, Lord Jesus, come"
You're my present help
And my future hope
One thing I know
You'll always be with me
Your grace alone
Anchors my soul
One thing I know
You'll always be with me
You're my present help
My future hope
One thing I know
You'll always be with me
And your grace alone
Anchors my soul
One thing I know
You'll always be with me
Oh, come, Lord Jesus
Come and save us

Come, Lord Jesus, come (oh come,
come)
Oh come, Lord Jesus
Keep us faithful
Come, Lord Jesus, come
Oh, come, Lord Jesus
Come and save us
Come, Lord Jesus, come
Come, Lord Jesus
Keep us faithful
Come, Lord Jesus, come
Come, Lord Jesus, come
