

NORTHVIEW COMMUNITY CHURCH

MEMBERSHIP COVENANT

Having been led by God, the Holy Spirit, to receive Jesus Christ as my Saviour and Lord, I express my desire to unite in the worship, fellowship, and witness of this family of believers known as Northview Community Church.

As a member of this family, I commit myself to participate in the mission of our church: to help people become deeply rooted followers of Jesus.

I commit to...

- Worship together regularly by attending weekend services
- Proclaim the Gospel as the way of salvation
- Submit to and pray for the Pastors & Elders as they lead and equip us to serve
- Intentionally meet with other Northview believers as we make disciples together
- Use my time, talent, and treasure to build up the church and glorify God

For the season of my life that God has me here, I am committing, before God and others, that I will be an active member of this local body of believers.
