# GATHER, GROW, GO

**Deeply rooted by helping one another follow Jesus.**

This discussion guide can be used to prompt one another to talk about real life in real time.

- Start and/or end with prayer.  
**Thoughtfully acknowledge God’s presence in the room. Commit your time to him. Bring your burdens and joys to him. This could be one person who prays, or several.**
- Take a look at these questions and decide what you’d like to use your group time to talk about.  
**We want to know each other beyond surface level, and help one another think about how the Word of God and the Spirit of God interact with what’s going on in life.**

<p><b>Think about the good things.</b> - What is something you love about life right now? Any goals or improvements to life you’re pursuing. - What is a decision or situation that you’d be willing to have the group give input on or pray about?</p>	<p><b>Think about the most recent sermon at church.</b> - What was your reaction to it? - Is there something the Holy Spirit highlighted for you to think about or to do?</p> <p><b>Think about God’s activity and presence in your life.</b> - How have you seen God at work recently? - Is there a Bible verse that’s been especially meaningful to you recently?</p> <p><b>Think about those in your life far from God.</b> - Who has drifted from following Jesus or hasn’t yet come to faith for the first time? - What’s your relationship with them like? - Let’s pray for them!</p>
