“Global Focus Weekend” – November 1/2, 2025

A simple framework to facilitate a spiritual conversation
 to help you and your group be **deeply rooted followers of Jesus.**

TALK TO EACH OTHER.

- Start with prayer. Acknowledge God’s presence in the room and devote your time to him.
- **Icebreaker:** *what would you say is your number 1 barrier to sharing your faith with people?*
- Look up and re-read the Bible text that was used in the weekend teaching.
- Is there something the Holy Spirit highlighted for you from the weekend message?
 - What is an *insight* you got from the text/teaching?
 - Something you learned or were encouraged by? A new way of thinking about life or faith?
 - What is a *question* you’re wondering about from the text/teaching?
 - Is there anything you want further explanation on?
 - Is there anything you don’t currently agree with or are confused by?
 - **Leaders: you can talk through questions, but it’s ok to say “I’m not sure right now, but we could look into that question beyond our meeting time today.” Contact us if needed.**
 - What is an *action* you think you (or us as a group) should take?
 - **It might be a meaningful idea to ask: “who are you burdened for that is far from God?” And give space for people to share their relationship with that person, and brainstorm what next steps could be taken to faithfully love, and pray, and share the gospel with them.**

TALK TO GOD.

- Adoration. How can we thank God for the biblical truths we’ve discussed?
- Confession. How can we turn to God in light of how his Word and Spirit convicted us?
- Supplication. What can we ask God for based on our conversation and/or circumstances?
 - What is one thing/person you’re really grateful and/or burdened for right now? Share.
 - **Idea: You could also pray for those you know who are far from God, by name. Try the “Loving The Lost” Group Guide!**
