

Shepherding the Flock: One of God's key concerns throughout scripture is that the shepherds of his people care for his sheep! At Northview we have an ever growing number of sheep, and as we plant more sites and campuses and move into our new building it seems that the size of our flock may exponentially increase. How can we make sure that we care well for each person the Lord brings?

Who are the Shepherds?

- Old Testament
 - Divine Shepherd:
 - _____ Genesis 48:15, Psalm 23, Psalm 80:1, Isaiah 40:11
